CALL FOR PRESENTERS!

The school mental health workgroup is now accepting applications to present at the annual conference March 3-4, 2011. During this year's conference we plan to showcase innovative approaches to mental health in Montana schools. If you are interested in sharing your good work at the state conference, please apply! Three 45-minute presentations will be selected and showcased during the Highlights from the Field segment of the conference. Presentations should last 30 minutes and we will have 15 additional minutes for questions and answers after each presentation. Please complete the following application and email, mail or fax it to Sara Casey by Tuesday, **January 18, 2011**.
